Dear Mr. President Rod Mole,

Dear colleagues,

First, we would like to thank you all for attending in Cluj, at the FBE Intermediary Meeting Sessions organized by Cluj Bar between the 17th and the 19th October 2013.

It was a great pleasure for us to host this special event, and we would like to share this joy for a project that was appreciated by you as a real success. We know very well that this achievement would not have been possible without your participation, and this is the reason why the Cluj Bar thanks you sincerely for your involvement and especially for the way you have done it. It is very true what they say:

“The art lies not only in what you do, but also in how you do it “

Also, hoping that the persons who had accompanied you, had a good time in Cluj, we would like to thank them too, we tried to show them a small part of the beautiful country, even if the time was really short and the weather was not our best friend those days. We promise next time we will take care of that, too.

After this event, we feel closer to you, and feel you closer, so that you are always welcome to return to Romania and please, do not forget that you have friends here in Cluj!
