Dear colleagues and friends,

We have the honour of inviting you to the European Football Cup of bar associations and law firms. This 8th edition will take place from 19 to 23 June 2019 in Limerick, Ireland.

Several cities were candidates for organising Euro-lawyers 2019. After visiting all potential destinations, Limerick won the selection process.

The sports facilities and quality residence offered by the University of Limerick, which will host the competition, were the main reasons for this choice. The football fields will also be accessible by foot from the accommodation centre.

Located on the west side of Ireland, Limerick will offer you all the ingredients you need for a great event - ideal facilities, bars, restaurants, and day and night activities.

Four tournaments will be organised during this 8th edition:

Eleven-a-side football

- Classic : no age limit
- Master : over 35s
- Legend : over 45s

Five-a-side football

- Classic : no age limit

After the 2017 event in Maribor (Slovenia), we are expecting more than 40 teams in Ireland.

Come and join us in 2019 to meet your European colleagues and experience the Eurolawyers.

See you very soon,

Vincent PINATEL

CONCEPT

The European Football Cup of Bars and Law Societies, called «Eurolawyers», is a tournament reserved for European lawyers.

Created in 2005, in addition to the Mundiavocat (World Football Cup for Lawyers), the event has seen a significant development.

The 7th event in 2017 brought together 38 teams from 20 European countries! The competition, which is held every two years, lasts five days, from Wednesday to Sunday. The draw takes place on Tuesday night.

Four tournaments are organised - Classic, Master, Legend, and Five-a-side - and each team plays between 4 and 6 games, lasting from 40 to 60 minutes, depending on the category and their progress in the tournament.

4th - 13th edition

To ensure the smooth running of the competition, a regional association will provide the necessary referees to stage the 120 games in the tournament.

Renowned international referees will also take part in the competition. Three referees and one delegate will be involved in each match.

TROPHIES

Prizes will be awarded for each tournament:

- **Champions, runners-up, and 3rd place;** cups and medals (gold, silver, and bronze);
- **All other teams** will receive a cup with their relative ranking;
- **Special prizes** will also be awarded for each category for the best player, top scorer, best goalkeeper, best manager, and most sporting team.

4th - 13th edition

Any team representing one or more bar association or law firm is eligible to participate. There is no limited number per city or country, nor any qualification system.

LIMERICK

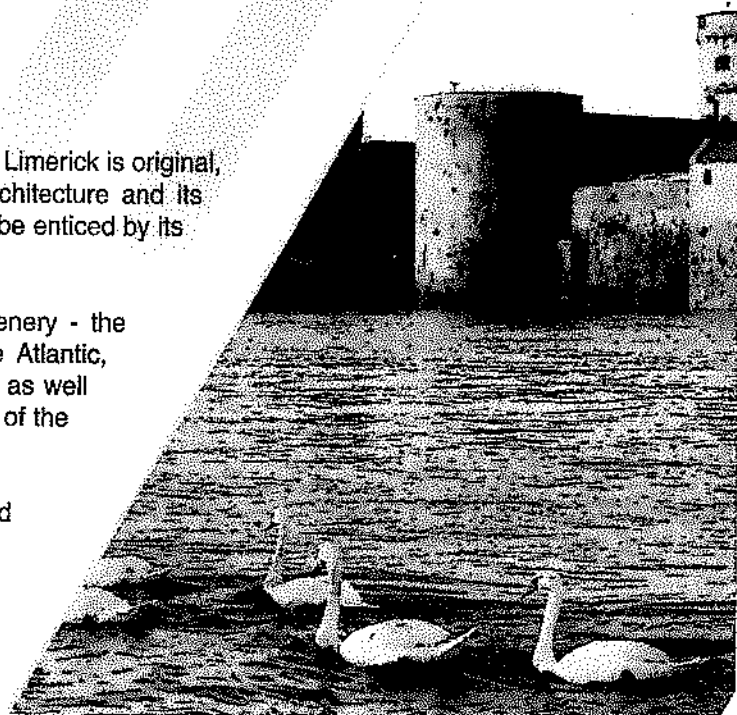

An ancient city set on the banks of the majestic River Shannon, Limerick is original, lively, and resolutely singular. From its beautiful Georgian architecture and its splendid museums to its rugby-passionate inhabitants, you will be enticed by its unique charm.

Carved by nature, the Shannon region offers spectacular scenery - the impressive cliffs of Moher, the Burren, the seascapes of the Atlantic, miles of golden beaches, and the plains of the Golden Valley, as well as offering a riverfront city experience in Limerick, which is one of the oldest cities in Ireland.

The third largest city in the country, Limerick is dynamic and attractive: an ideal place to visit by day and by night.

In addition to their hospitality and generosity, the Irish people have breathtaking land and landscapes.

The Eurolawyers will not be, for sure, your last trip to Ireland!

1. ELIGIBILITY

1.1. The tournament is open exclusively to teams of lawyers from bar associations, groups of bar associations, and law firms.

- Law students or trainee lawyers, over 22 years of age (born before 31/12/1997), within the limit of 2 per team for Classic and Five-a-side tournaments.

2.2 Cases of Exemption

Exemptions may apply to the holders of a diploma of higher legal or judicial studies, and more generally permanent employees of law firms, insofar as they do not exceed four players for the Eleven-a-side tournaments and two players for the Five-a-side tournament. In this case, a list including lawyers and non-lawyers, as well as a statement from the law firm to ensure that the non-lawyers are permanent employees of the company must be provided.

These employees must be aged over 30 (born before 31/12/1989) in the Classic & Five-a-side tournaments, over 35 in the Master tournament (born before 31/12/1984) and over 45 in the Legend tournament (born before 31/12/1974).

To become admissible, exemption requests should be sent to Mr Vincent PINATEL, lawyer and founder of MUNDIAVOCAT and EUROLAWYERS, no later than 45 days before the start of the tournament.
