Strasbourg, 5 June 2019

Dear Dean, dear Flavia,

Please allow us to warmly thank and congratulate you and your team for the organisation of the Conference in Cluj, on 30 May 2019, on various aspects of private life as protected by the European Convention on Human Rights.

Our thanks go to the members of organising team who succeeded in making the whole conference running smoothly as well as to the lawyers who attended the conference in an impressive number and who showed great interest in the lectures given. We also are grateful for having been able to attend the gala dinner on Friday evening, a most joyful event.

We furthermore would like to reiterate how very impressed we were by the warm hospitality and genuine friendliness of you and our other hosts. We felt your concern for our well-being, far beyond what would have been politeness. The extremely rich side-program enabled us to have a glimpse of the beauties of the city of Cluj and of the countryside, especially the salt mines in Turda, to enjoy the delicious Romanian food, and even to attend an event in the framework of the TIFF.

We came back to Strasbourg with the best memories and unforgettable impressions. Thank you again for all you did to turn our stay into a wonderful experience!

It would be a pleasure if, in the near future, we could welcome you and other members of the Cluj bar in Strasbourg, in order to deepen our common experience of human rights.

Yours sincerely,

Péter PACZOLAY
