COMUNICAT

privind reorganizarea completurilor de judecată la nivelul Judecătoriei Zalău

IMPORTANT PENTRU PĂRȚI ȘI AVOCAȚI

Marea majoritate a termenelor de judecată deja stabilite în cauzele civile urmează să fie preschimbate. Noile termene vor fi comunicate cu respectarea dispozițiilor legale privind citarea sau încunoștințarea părților.

Vă adresăm recomandarea de a consulta extrasul din procesul-verbal de repartizare ciclică din data de 26.06.2026, anexat prezentului comunicat, în vederea verificării, identificării și urmăririi parcursului dosarelor

Judecătoria Zalău aduce la cunoștința justițiabililor, avocaților și tuturor persoanelor interesate că, prin Deciziile președintelui instanței nr.43/24.06.2026, nr.58/28.07.2026, nr.59/28.07.2026, nr.60/29.07.2026 și nr.61/30.07.2026, au fost adoptate succesiv măsuri privind reorganizarea completurilor de judecată și stabilirea titularilor acestora.

Măsurile au fost dispuse ca urmare a modificărilor intervenite în schema de judecători și a ocupării unor posturi vacante, în vederea asigurării continuității activității de judecată, a repartizării echilibrate a cauzelor și a utilizării eficiente a sălilor de ședință.

1. Completurile nou-înființate

La data de 24 iunie 2026, au fost înființate următoarele completuri pentru soluționarea cererilor în materie civilă, respectiv penală: Civ 2, Civ 3, Civ 4 și Penal 3.

La aceeași dată, completul Civil 1 a fost redenumit Civ 1.

La data de 1 august 2026, au fost înființate următoarele completuri: OP 3 și OP 4, pentru soluționarea cererilor privind ordinele de protecție; C3 Încuviințări și C4 Încuviințări, pentru soluționarea cererilor de încuviințare a executării silite.

2. Structura actuală a completurilor de judecată

În contextul modificărilor intervenite în schema de judecători, începând cu luna iunie 2026, o parte dintre completurile rămase fără titulari au fost excluse de la repartizarea aleatorie a cauzelor nou-înregistrate și ulterior desființate.

Cauzele aflate pe rolul completurilor desființate, inclusiv cele aflate în stare de amânare a judecării, suspendate sau aflate în procedura de regularizare, au fost redistribuite ciclic, începând cu data de 3 august 2026, către completurile active și competente, în funcție de materia și obiectul fiecărei cauze, operațiunea fiind consemnată în cuprinsul procesului-verbal încheiat la data de 26.06.2026, anexat prezentului comunicat.

În urma reorganizării, structura completurilor și repartizarea judecătorilor sunt următoarele:

Judecător	Completuri
Florian Darius	Penal 1, Contravențional 1, JDL 1 și JEP 1
Rolnic Călin-Ionuț	Penal 2, Contravențional 2, JDL 2 și JEP 2

3. Situația termenelor de judecată deja stabilite

Pentru corelarea activității de judecată cu noua structură a completurilor și cu noua planificare a ședințelor, marea majoritate a termenelor de judecată deja stabilite în cauzele civile urmează să fie preschimbate.

Noua structură a completurilor nu modifică, prin ea însăși, termenele acordate în fiecare dosar. Preschimbarea va fi dispusă în mod individual, în cauzele în care aceasta este necesară, cu respectarea dispozițiilor legale privind citarea sau încunoștințarea părților și a celorlalți participanți la proces.

Părțile și avocații vor fi informați cu privire la noua dată, ora și sala de judecată, potrivit legii. Noile termene vor fi actualizate în aplicația ECRIS și vor putea fi consultate pe Portalul instanțelor de judecată.

Persoanele interesate sunt rugate să urmărească citațiile și comunicările transmise de instanță și să verifice periodic informațiile publicate pe Portalul instanțelor de judecată, la adresa portal.just.ro/337, ori să contacteze Judecătoria Zalău la numărul de telefon 0260-612.296 sau la adresa de e-mail jud-zalau-reg@just.ro.

Judecătoria Zalău își reafirmă disponibilitatea de a colabora instituțional cu corpul profesional al avocaților și cu ceilalți actori ai sistemului de justiție, precum și de a asigura, prin transparență și predictibilitate, condiții optime pentru exercitarea actului de justiție și pentru o informare corectă a publicului și a justițiabililor.
